### **SEX CUE: ROBIN HOOD HORN**

SILLY WILLY: Did you hear that?! That was Robin Hood's horn! Today could be the day I finally join them! See you later everybody! Wait for me Robin!

SILLY WILLY RUNS OFF AS MAID MARIAN ENTERS.

MAID MARIAN: [*Calling:*] Silly Willy! Where could he be? Wait a minute – what's this thing over here?

MAID MARIAN GOES FOR THE WEAPON DSR. SILLY WILLY ENTERS.

SILLY WILLY: Don't touch my weapon!

MAID MARIAN: Silly Willy! I've been looking *everywhere* for you.

SILLY WILLY: Oh, Maid Marian! It was only you! What's wrong?

MAID MARIAN: The common people continue to suffer under the tremendous and ever-increasing weight of the terrible taxes inflicted by a tyrannical leader.

THEY BOTH LOOK TO THE AUDIENCE.

SILLY WILLY: Sound familiar?

MAID MARIAN: Where have you been all morning?

SILLY WILLY: The doctors...

MAID MARIAN: Oh no! Are you alright?

SILLY WILLY: I'm fine but they prescribed me 'Anti-Gloating Cream'.

MAID MARIAN: 'Anti-Gloating Cream'?

SILLY WILLY: Yes! I can't wait to rub it in!

MAID MARIAN: You're so silly! *I* can't wait for my father to come home.

SILLY WILLY: He'll soon see to that shifty Sheriff!

MAID MARIAN: You're right! King Richard has a lion's heart!

SILLY WILLY: ...and a lifetime ban from the zoo!

MAID MARIAN: If only Sherwood had a hero...

SILLY WILLY: Maybe I could fight him!

MAID MARIAN: Oh no you couldn't...

SILLY WILLY: Oh yes I could! I was in a fight once in the chippy.

MAID MARIAN: What happened?

SILLY WILLY: I got battered! I would have won if he hadn't grabbed me by the...

NANNY(OFF): Willy!

SILLY WILLY: Oh no! That's my Mum!

MAID MARIAN: You'd better get back to the Nursery!

SILLY WILLY: I'm not going back there! Yesterday I was helping Mum change a little boy's nappy and he did a wee right in my face! I'm putting in a claim for Pee-Pee Eye!

MAID MARIAN: Come on!

SILLY WILLY: See you later everyone!
