

SPRITE AUDITION

THE SHERWOOD SPRITE

A kind spirit of the forest.

SHERIFF: I wonder who indeed? Ha-ha! I knew that nylon loving ne'er-do-well couldn't turn down a feast of arrow-flinging at the fayre! And once he's there I'll capture him once and for all!

THE SHERWOOD SPRITE ENTERS.

SPRITE: That's what you think!

SHERIFF: *Ugh! The interfering fairy! Come to wave your stick?*

SPRITE: *Evil will never win.*

SHERIFF: *Oh please! You make me sick!
There's nothing you can do to stop my
masterful mission, At the fete his fate is
sealed,
When my plan comes to fruition!*

SPRITE: You underestimate him!

SHERIFF: That arrogant archer won't be able to resist flexing his arrows! He's riding right into my clutches and soon Marian will be mine!

SPRITE: She'll *never* marry you!

SHERIFF: I *will* marry Marian and once I've made the maid my own I'll seize the throne! Oh yes I will! [BUSINESS] Oh shut up! What do you think this is? A pantomime?!

THE SHERIFF EXITS WITH AN EVIL CACKLE.

SPRITE: Oh no! This is terrible! There must be something I can do... Wait! Maybe this thing over here could help?

THE SPRITE GOES TO THE WEAPON DSR. SILLY WILLY RUNS ON.

SILLY WILLY: My weapon's not to be played with!

SPRITE: Silly Willy! It's you!

SILLY WILLY: Yes, it's me! Hold on – how do you know my name?

SPRITE: I've been keeping my eye on you.

SILLY WILLY: Bit creepy...!

SPRITE: I'm the Sherwood Sprite! The forest is my friend and I keep all of Sherwood's secrets! Im a sort of fairy!

SILLY WILLY: That's showbiz! Wait! If you're a sort of fairy, is that a magic wand?!

SPRITE: No, it's just a stick...

SILLY WILLY: Oh, awkward!

SPRITE: I need to think of something... I've got it!

SILLY WILLY: Well don't give it to me!

SPRITE: I need you to tell your Mum something *very* important. You must tell her that the Sheriff is planning to pinch Maid Marian and you must get to the bottom of it!

SILLY WILLY: What!?

SPRITE: The Sheriff is planning to pinch Maid Marian and you must get to the bottom of it! Now your turn!

SILLY WILLY: The Sheriff is planning to pinch Maid Marian and you must get to the bottom of it?

SPRITE: That's it! Now don't forget!
