Felicity: Errr... Hello there... um... ma matey

Felicity: 3...2...1...

Jim: FELICITY, What are you doing here?!?!

Felicity: I snuck aboard! Isn't it great, we're going on an adventure

Jim: But how??

Felicity: Well I drew on this moustache, and told that burly looking captain that boys can wear dresses if they want and if he didnt like it he'd have to take it up with HR... and it worked

Jim: Wow

Felicity: Yeah... turns out the only thing he hates more than a woman on his crew is HR

Jim: But Felicity, this is going to be dangerous

Felicity: Yeah... but you're here

Jim: Yeah.. but you're a girl

Felicity: And?

Jim: And what?

Felicity: Why does the fact Im a girl mean I can't go on a dangerous adventure

Jim: Well... it's sort of... you know... its...

Felicity: Am I smarter than you?

Jim: Yes...

Felicity: Am I better with a sword than you

Jim: Yes...

Felicity: Am I fun to play late night scrabble with

Jim: Yes

Felicity: Well then shut up and tell me the plan

Jim: But its not ladylike!

Felicity: Oh shut up, you sound like my dad.
